Jeff,

Here is the draft Phase 2 Report. I have incorporated all of your changes as well as Earle's.

I am still working on Discussions Section, so it is not included. I hope to get that to you by today, but it is taking longer than I thought. We should still have call tomorrow to discuss it and Conclusions. You will need to pop in these sections before you burn the DVDs. Probably need to know cut off point for that and getting the DVDs mailed out on Friday.
